LOSE WEIGHT — LIGHT & LEAN

Wake Me Up Green Essence

A bright, easy blend built around banana and orange, balanced by kale and spinach. It is made to keep you full: the creamy base, fibre and healthy fats mean it works as a proper breakfast or a satisfying lunch when time is short.

5 MINUTES · 1 LARGE GLASS · 1 BLENDER

Ingredients

- A small handful fresh oregano
- 1 frozen banana
- 1 handful spinach
- 2 large leaves of kale, without stem
- 1 peeled orange
- 1/3 cup soaked walnuts
- 1 cup filtered water

Method

1. Soak-ahead: soak the nuts or seeds listed overnight in filtered water, then drain and rinse.
2. Pour in the liquid first, add the greens and soft fresh ingredients, and blend 20-30 seconds until the greens vanish.
3. Add the frozen fruit, powders, seeds and the rest. Blend until thick and creamy, pausing once to push the mixture down.
4. Taste, then adjust: more liquid if too thick, more frozen fruit if too thin. Pour and enjoy straight away.

Swap: Spinach for kale

Nutrition per glass (estimated): Calories ~445 | Protein 11g | Carbs 51g | Fiber 10g | Fat 25g | Natural sugars ~27g. High in vitamin K, vitamin C, Omega-3 fats.

DETOXIFY — CLEAN & REFRESH

Green Mango Chill

This one leads with mango and banana, with celery and parsley folded in so gently you notice the flavour long before the greens. Light, hydrating and clean-tasting — the kind of blend you reach for when you want to feel refreshed rather than weighed down.

5 MINUTES · 1 LARGE GLASS · 1 BLENDER

Ingredients

- 1 cup filtered water
- 1 cup frozen mango
- 1 medium frozen banana
- 2 cups chopped celery
- 1 handful of parsley

Method

1. Pour in the liquid first, add the greens and soft fresh ingredients, and blend 20-30 seconds until the greens vanish.
2. Add the frozen fruit, powders, seeds and the rest. Blend until thick and creamy, pausing once to push the mixture down.
3. Taste, then adjust: more liquid if too thick, more frozen fruit if too thin. Pour and enjoy straight away.

Swap: Cilantro for parsley

Nutrition per glass (estimated): Calories ~245 | Protein 5g | Carbs 60g | Fiber 10g | Fat 2g | Natural sugars ~40g. High in vitamin K, vitamin C, potassium.

IMMUNITY & DEFENCE

Pineapple Kale Explosion

If you like your smoothies fruity rather than grassy, start here: pineapple and banana lead, and kale blends in without taking over. The greens all but disappear into the fruit — a kind first step if green smoothies still feel new to you.

5 MINUTES · 1 LARGE GLASS · 1 BLENDER

Ingredients

- 1 large frozen banana
- 3-4 medium leaves of kale, no stem
- 1 cup fresh pineapple
- 1 cup fresh blueberries
- 1 cup filtered water
- 1/4 cup raw soaked pecans or almonds

Method

1. Soak-ahead: soak the nuts or seeds listed overnight in filtered water, then drain and rinse.
2. Pour in the liquid first, add the greens and soft fresh ingredients, and blend 20-30 seconds until the greens vanish.
3. Add the frozen fruit, powders, seeds and the rest. Blend until thick and creamy, pausing once to push the mixture down.
4. Taste, then adjust: more liquid if too thick, more frozen fruit if too thin. Pour and enjoy straight away.

Optional boost: 1 handful of fresh mint

Nutrition per glass (estimated): Calories ~485 | Protein 8g | Carbs 81g | Fiber 13g | Fat 20g | Natural sugars ~49g. High in vitamin C, vitamin K, fiber.

LIVE LONG — VITALITY & STRENGTH

Chia Mango Sunrise

If you like your smoothies fruity rather than grassy, start here: mango and banana. The greens all but disappear into the fruit, which makes this a kind first step if green smoothies still feel new to you.

5 MINUTES · 1 LARGE GLASS · 1 BLENDER

Ingredients

- 1 tbsp chia seeds
- 1 tsp sesame seeds
- 1-1.5 frozen banana
- 1/2 cup frozen blueberries
- 1/2 cup frozen mango
- 1/3 cup soaked raw almonds
- 1 cup filtered water

Method

1. Soak-ahead: soak the nuts or seeds listed overnight in filtered water, then drain and rinse.
2. Pour in the liquid first, add the greens and soft fresh ingredients, and blend 20-30 seconds until the greens vanish.
3. Add the frozen fruit, powders, seeds and the rest. Blend until thick and creamy, pausing once to push the mixture down.
4. Taste, then adjust: more liquid if too thick, more frozen fruit if too thin. Pour and enjoy straight away.

Optional boost: 1/2 lemon, peeled; a small chunk of ginger

Nutrition per glass (estimated): Calories ~490 | Protein 13g | Carbs 63g | Fiber 15g | Fat 25g | Natural sugars ~35g. High in fiber, vitamin C, Omega-3 fats.

ANTI-AGING & GLOW

Goji Berry Almond Puree

Simple ingredients, generous flavour: raspberries and goji. It is made to keep you full: the creamy base, fibre and healthy fats mean it works as a proper breakfast or a satisfying lunch when time is short.

5 MINUTES · 1 LARGE GLASS · 1 BLENDER

Ingredients

- 1 cup almond milk
- 1/3 cup goji berries
- 1/2 to 1 cup frozen raspberries
- 1 scoop dairy-free protein powder
- 1 tbsp almond butter

Method

1. Pour in the liquid first, add the greens and soft fresh ingredients, and blend 20-30 seconds until the greens vanish.

2. Add the frozen fruit, powders, seeds and the rest. Blend until thick and creamy, pausing once to push the mixture down.

3. Taste, then adjust: more liquid if too thick, more frozen fruit if too thin. Pour and enjoy straight away.

Swap: Use any other protein powder instead

Nutrition per glass (estimated): Calories ~405 | Protein 32g | Carbs 40g | Fiber 13g | Fat 14g | Natural sugars ~22g. High in fiber, calcium, vitamin C.

ENERGY & STRENGTH — FUEL & FULL

Nutty Berry Prospect

Simple ingredients, generous flavour: banana and strawberries carry this blend, with spinach keeping it fresh and green. The greens all but disappear into the fruit — a kind first step if green smoothies still feel new to you.

5 MINUTES · 1 LARGE GLASS · 1 BLENDER

Ingredients

- 1 large frozen banana
- 3 large frozen strawberries
- 1/2 cup frozen blueberries
- 2 cups fresh baby spinach
- 1 cup filtered water
- 1 tbsp peanut butter

Method

1. Pour in the liquid first, add the greens and soft fresh ingredients, and blend 20-30 seconds until the greens vanish.

2. Add the frozen fruit, powders, seeds and the rest. Blend until thick and creamy, pausing once to push the mixture down.

3. Taste, then adjust: more liquid if too thick, more frozen fruit if too thin. Pour and enjoy straight away.

Swap: Almond butter for peanut butter

Nutrition per glass (estimated): Calories ~285 | Protein 8g | Carbs 51g | Fiber 9g | Fat 9g | Natural sugars ~27g. High in vitamin K, vitamin C, vitamin A.

DETOXIFY — CLEAN & REFRESH (BONUS)

Minty Pineapple Love

Pineapple meets avocado in a glass that tastes like a treat — while chard and mint quietly do the nourishing work underneath. Made to keep you full: the creamy base, fibre and healthy fats mean it works as a proper breakfast or a satisfying lunch.

5 MINUTES · 1 LARGE GLASS · 1 BLENDER

Ingredients

- 1/2 large avocado
- 1 handful of fresh mint
- 2 cups fresh Swiss chard, no stem
- 1 cup frozen pineapple
- 1 cup filtered water
- 1 cup ice cubes

Method

1. Soak-ahead: soak the nuts or seeds listed overnight in filtered water, then drain and rinse.
2. Pour in the liquid first, add the greens and soft fresh ingredients, and blend 20-30 seconds until the greens vanish.
3. Add the frozen fruit, powders, seeds and the rest. Blend until thick and creamy, pausing once to push the mixture down.
4. Taste, then adjust: more liquid if too thick, more frozen fruit if too thin. Pour and enjoy straight away.

Optional boost: 1/4 cup soaked walnuts or almonds

Nutrition per glass (estimated): Calories ~290 | Protein 6g | Carbs 37g | Fiber 12g | Fat 13g | Natural sugars ~19g. High in vitamin K, vitamin C, vitamin A.
